**STUDENT COMMITMENT:**

I realize that participation in the Foothill Elementary School Musical will require my responsible behavior throughout the production in order to be successful. The following is a list of responsible behavior that will be expected of me:

1. I will be present and punctual every day of rehearsal and performance, except for the specific dates listed in audition form.
2. I will be respectful of other people and the property of others.
3. I will not bring expensive items or electronic games.
4. I will memorize my lines on time.
5. I will follow specific rules told to me by my director, music director, choreographer, producers, or supervising parents.
6. I understand that I **MUST** attend all technical and dress rehearsals.

**PARENT COMMITMENT:**

1. I agree to pick up my child on time. If I am more than 10 minutes late in picking up my child, I will be responsible for rehearsal supervision at the next rehearsal. This is in addition to my volunteer responsibility.
2. I agree to pick up my child immediately if I am contacted by the director or producer because of my child's disruptive behavior or lack of respect for the rules (see Student Commitment above).
3. I agree to allow my child to be photographed for publicity purposes. Yes\_\_\_ No\_\_\_
4. I understand that my child **MUST** attend all technical and dress rehearsals.
5. I will support my child in this process by ensuring that he/she is present at each and every rehearsal/performance with the exception of the specific dates listed in audition form and in the case of extreme emergency or illness.
6. I will further support my child by ensuring he/she spends at least 15 minutes per night reviewing lines, music, and blocking (more if he/she has a larger role).
