## DESIGN GUIDELINES

- Use 8.5" x 11" sheet of paper.
- Use the paper vertically.
- Design must include the school name "Foothill", school year "2016-2017" and school logo of dolphin.
- Any art medium may be used - crayons, paint, pastels, markers, color pencils, etc. Using materials that create texture give added dimensions to the design.
- What you choose to design for the cover is up to you. Please make sure it is school appropriate.
- Your design must be in color. Avoid leaving the background blank or white.
- Keep what's important in the design (eg. school name) away from the paper edges.
